

## MODEL 61 – COAST GUARD

### Inflatable Body Armor

The Floatation Inflatable MARS Armor® Model Coast Guard vest provides front, back and side ballistic protection. The inflatable design ensures keeping the body on water surface. Possibility to increase the protection through add-on inserts.

### Standard Features

- Full torso coverage
- Easy-care, salt water-resistance outershell
- Removable ballistic panels
- Removable Inflatable collar
- Pockets for additional inserts
- Minimum buoyancy – 200 N
- Available in black and navy blue color

### Options

- IIIA + 7,62x25 TT full steel jacketed bullet ballistic system
- Custom colors
- Custom sizes
