

MODEL 21 - GUARD

Flexible Overt Protection

The Overt MARS Armor® Model 21 - Guard vest provides front and back protection. Possibility to increase the protection through add-on inserts. The vest combines high protection at low weight and excellent torso coverage. Civil protection and law enforcement application.

Standard Features

- Six elastic adjustment straps provide a firm and comfortable fit
- Easy-care, machine-washable Cordura 500 outershell
- Removable ballistic panels
- Pockets for additional inserts
- Available in black and blue color

Options

- IIIA + 7,62x25 TT full steel jacketed bullet ballistic system
- Anti-stab protection system (alone or add-on)
- Custom colors
- Custom sizes
