

MODEL 51 – USUAL DESIGN

Flexible Overlapping Protection

The Tactical MARS Armor® vest provides front, back and side protection. The side overlapping ensures full torso coverage. Possibility to increase the protection through add-on inserts, neck and groin protection. Law enforcement and special troop's application.

Standard Features

- Full torso coverage, adjustable shoulder and side straps.
- Easy-care, dry-washable Cordura 500 outershell
- Removable ballistic panels
- Pockets for additional inserts
- Removable neck and groin protection
- Available in black, blue and camouflage color

Options

- IIIA + 7,62x25 TT full steel jacketed bullet ballistic system
- Anti-stab protection system (alone or add-on)
- Custom colors
- Custom sizes
