

BALLISTIC BRIEFCASE

Ballistic Briefcase

The extremely lightweight 3-panel ballistic briefcase MARS Armor® for personnel protection provides mobile and discreet front protection from dangerous bullets. Possibility for fast unfolding in combat position. V.I.P. and Personal Security application.

Standard Features

- HPPE composite protective elements.
- Appearance as usual ballistic briefcase.
- Guarantees mobile and concealed bullet-proof protection.
- Easy re-folding of the protective ballistic panels.
- The protective panels are encased into a polyamide cover for protection against humidity, UV-light and mechanical stress.
