

MODEL 13 - BALLISTIC T-SHIRT

Optimum ballistic protection

The ballistic T-shirt Model 13 provides front, back and side protection. These protective capabilities are combined with low weight, breathable comfort, keeping the body armor snug against the torso, making it ideal for concealment wearing during undercover operations.

Protection

Model 13 T-Shirt could be produced according to all international standards as NIJ 0101.04; NIJ 0101.06; NIJ 0115.00; Technische Richtlinie; HOSDB; GOST 50 744-95; STANAG 2920; MIL 662.

The level of protection of the ballistic T-shirt from the above mentioned standards is chosen by the customer.
