

## **Cookies**

To make this site work properly, we sometimes place small data files called cookies on your device. Most big websites do this too.

### **What are cookies?**

A cookie is a small text file that a website saves on your computer or mobile device when you visit the site. It enables the website to remember your actions and preferences (such as login, language, font size and other display preferences) over a period of time, so you don't have to keep re-entering them whenever you come back to the site or browse from one page to another.

### **How do we use cookies?**

We use cookies for purposes such as improving the functionality of our websites, to understand site and Internet usage and to improve or customize the content, offerings or advertisements on our sites. For example, we may use cookies to personalize your experience at our sites (e.g., to recognize you by name when you return to a site), save your password in password-protected areas, and enable you to use shopping carts on our sites. We also may use cookies to help us offer you products, programs, or services that may be of interest to you and to deliver relevant advertising.

### **Cookies we use & what they are for**

The cookies we use on our websites can be categorized as follows:

#### **Strictly necessary cookies**

These cookies are essential in order to enable you to fully experience the website and use the features and functionalities available to you, such as access to secure areas of the website.

We use this type of cookie to handle user registration and login. Without these cookies services you have asked for cannot be provided. These cookies are first-party cookies, and can be either permanent or temporary. In short, without these cookies our websites won't work properly or won't be able to provide certain features and functionalities.

#### **Performance cookies**

These cookies collect anonymous information about how visitors use a website, for instance which pages visitors visit most often, in order to provide a better user experience. These cookies do not personally identify individual visitors. All information these cookies collect is aggregated and anonymous.

We use these cookies to:

- provide statistics on how our websites are used
- measure the delivery and performance of our advertising campaigns

These cookies could be permanent or temporary cookies, first-party or third-party cookies. In short, these cookies collect anonymous information on the pages visited and the adverts viewed.

#### **Other third-party cookies**

On some pages of our website we may have content from services such as YouTube or Facebook. Please note that we do not control any cookies which are used by these

services and you should check the relevant third-party website for more information about these.

If you have any questions about the use of cookies on our websites please email [office@marsarmor.com](mailto:office@marsarmor.com)

### **How to control cookies**

You can **control and/or delete** cookies as you wish – for details, see [aboutcookies.org](http://aboutcookies.org). You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being placed. If you do this, however, you may have to manually adjust some preferences every time you visit a site and some services and functionalities may not work.
